It is necessary that you answer the following questions and attach color samples of **ALL** colors that will be on your house and have them approved by the architectural committee 1 week prior to painting. Remember, the colors within the Summerfield neighborhood are to remain "Earthtone" in appearance (page 12 paragraph 5 / rules & regulations). You need to have ALL members of the architectural committee approve the colors before you begin painting.

1. What is the name of the color that will be the primary or base color of the house?

_____ (color sample needs to be attached to this sheet)

2. What is the name of the color that will cover the gutters and downspouts?

_____ (color sample needs to be attached to this sheet)

3. What will be the color that will cover the trim boards (i.e. beneath the gutters, around the windows, etc)?

_____ (color sample needs to be attached to this sheet)

4. Will there be any additional colors (i.e. doors, fences, sheds, etc.) besides the ones you have stated above? If yes, please attach a color sample and specify where this color will appear on or in relation to the house.
